Mandan, ND 58554

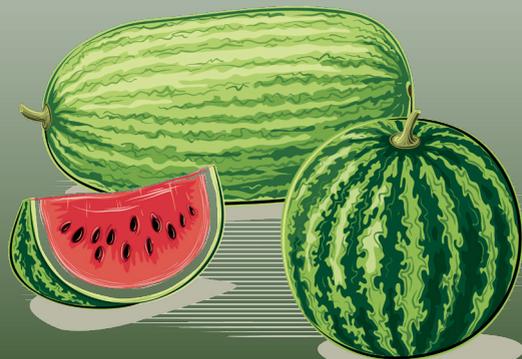

We are proud members of the ND Farmers Market and Growers Association.

FRESH  
*Locally Grown*  
VEGGIES

Plus jams, jellies, bread, pie, kraut, salsa  
and more from Diane, Roberta and Sue.

Our farmers are Produce Safety  
Certified by the AFDO.

You are supporting local agriculture and small local businesses by becoming a member of Bountiful Harvest CSA. A CSA membership provides "seed" money for our farmers to purchase seed and other supplies early in the season before income from farmers markets.

Your weekly share of vegetables begins in mid-July and continues through mid-October weather permitting.

Our produce and baked goods are picked, packed or baked as close to the day of pick-up as possible; not shipped or stored for a week or two before reaching your table. Now that's fresh.

What a bargain at \$495 for a full share or \$275 for a half. Each bag includes 7 to 10 varieties weekly. A full share is enough for four to five people and a half share feeds two to three. Also included in the bag, an additional canned good alternating weeks with fresh-baked bread from German-Russian traditional recipes.

Our farmers are members of the Bismarck Farmers Market and have many other items for purchase at market. **Reserve your share today by returning the contract with your check to the address provided.**
